Dear Parents and Students,

We will again be using - Speak Up!, an anonymous anti-bullying monitoring and management platform enabling students, parents and community members to report bullying and cyber-bullying incidents. This two-way communication system is completely anonymous, masking your phone number and contact information to school administrators receiving the message.

When a message is received, the school will be alerted and able to respond. Please do not be alarmed when you receive a response, as the messaging system masks the phone number while still allowing for two-way communication. We hope with this new system we can assist our students in reporting incidents quickly and allow the school to respond appropriately.

To report an incident, please call or text 267-521-0095. If needed, you may wish to add this phone number to your address book for easy retrieval.

If you have any questions, please feel free to contact Ms. Lofton at 215-365-4872.
